17. Passenger Management

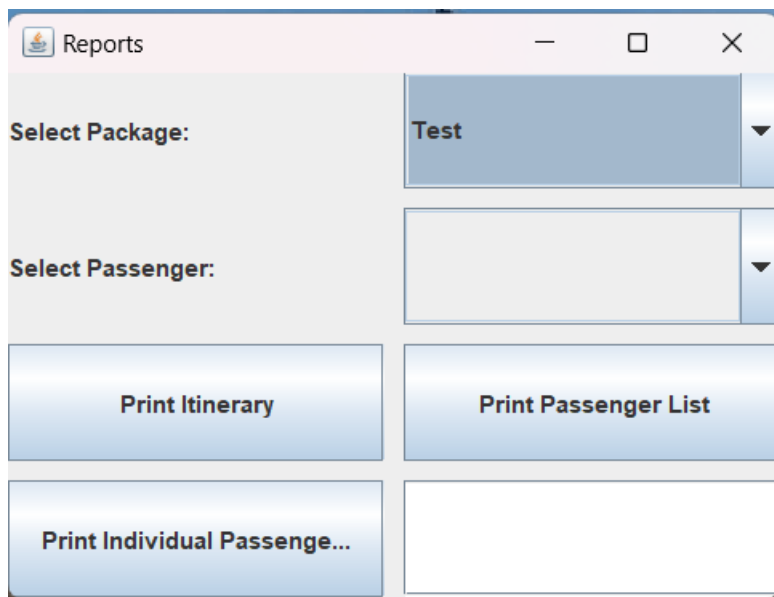

A screenshot of a software window titled "Passenger Management". The window has a standard Windows-style title bar with minimize, maximize, and close buttons. The main content area is divided into several sections. On the left, there is a label "Select Package:" followed by a dropdown menu showing "Test". Below this is a label "Passenger List:" followed by an empty rectangular box. At the bottom left, there is a blue button labeled "View Details". At the bottom right, there are two blue buttons: "Edit" and "Delete".

18. Activity Enrollment

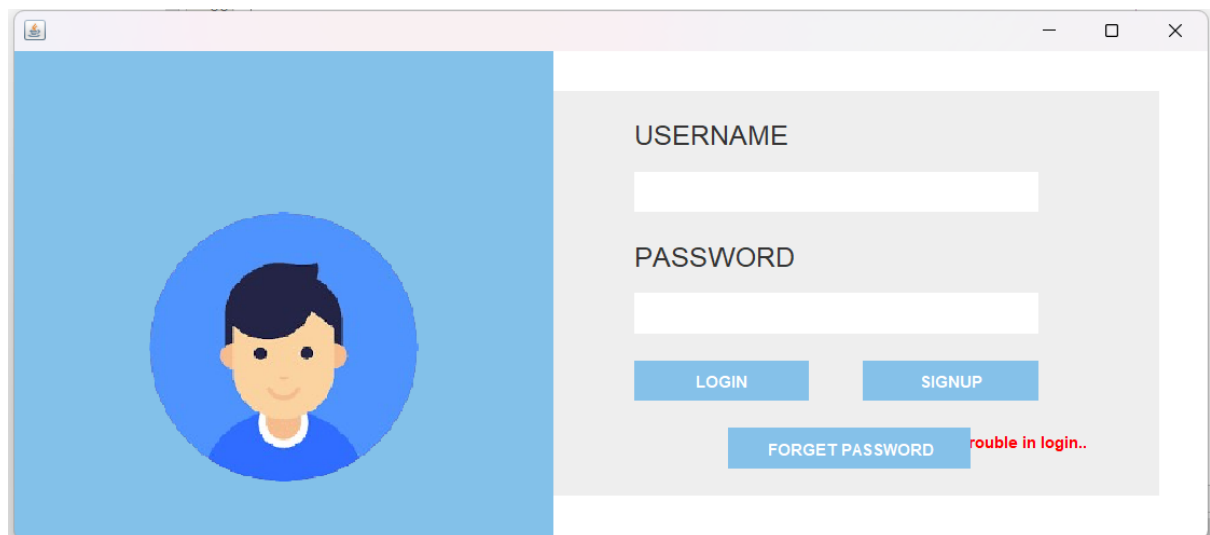

A screenshot of a software window titled "Activity Enrollment". The window has a standard Windows-style title bar with minimize, maximize, and close buttons. The main content area is divided into several sections. On the left, there is a label "Select Package:" followed by a dropdown menu showing "Test". Below this is a label "Select Destination:" followed by a dropdown menu. Below that is a label "Available Activities:" followed by an empty rectangular box. At the bottom left, there is a label "Select Passenger Type:" followed by a dropdown menu showing "Standard". At the bottom right, there is a blue button labeled "Enroll".

19. Reports

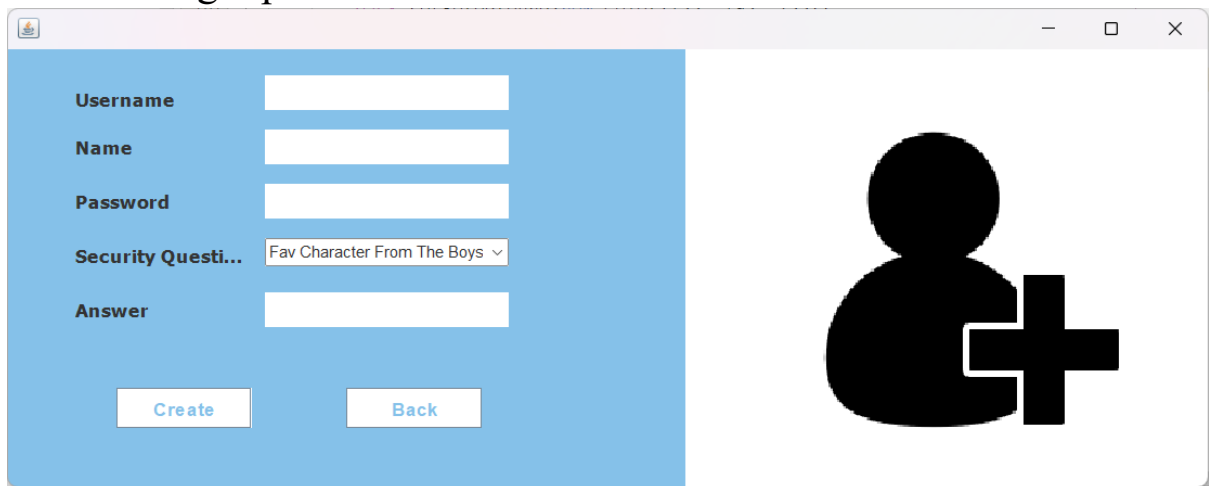

A screenshot of a web application window titled "Reports". The window has a light blue header bar with standard window controls (minimize, maximize, close). The main content area is divided into two columns. The left column contains two labels: "Select Package:" and "Select Passenger:". The right column contains two dropdown menus. The first dropdown menu is labeled "Test" and has a downward arrow. The second dropdown menu is empty and also has a downward arrow. Below the dropdown menus, there are three buttons arranged in a grid. The first button is labeled "Print Itinerary". The second button is labeled "Print Passenger List". The third button is labeled "Print Individual Passenge...".

20. User Login

A screenshot of a web application window titled "User Login". The window has a light blue header bar with standard window controls (minimize, maximize, close). The main content area is divided into two sections. The left section features a large blue square background with a circular profile picture of a man with dark hair and a blue shirt. The right section is a light gray area containing the login form. It has two input fields: "USERNAME" and "PASSWORD". Below the input fields are three buttons: "LOGIN", "SIGNUP", and "FORGET PASSWORD". To the right of the "FORGET PASSWORD" button, there is a red text link that says "trouble in login..".

21. User Signup

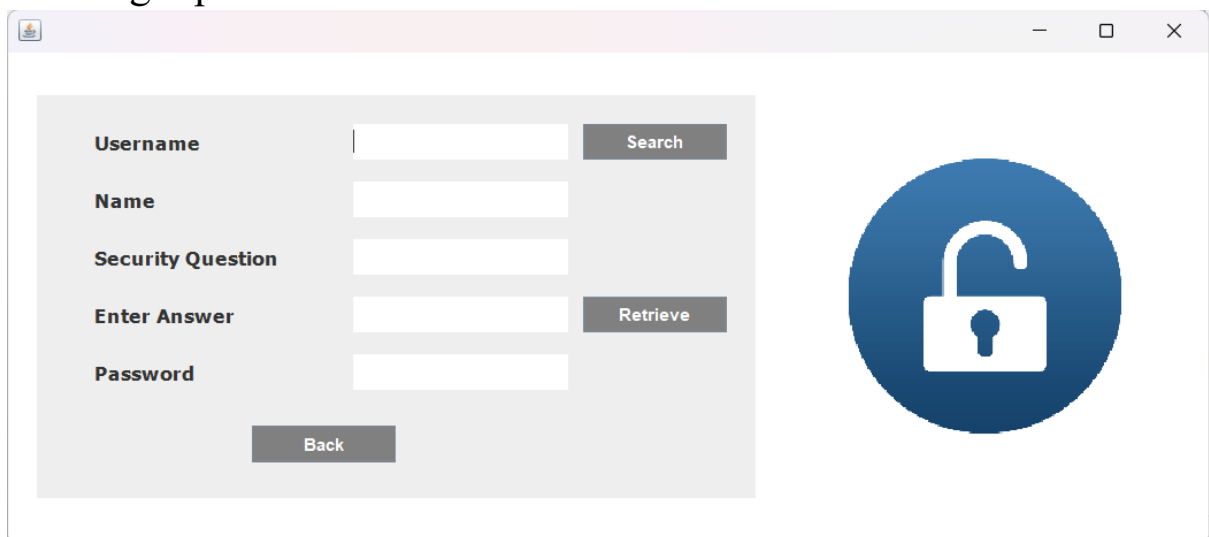

A user signup form with a blue background. It includes input fields for Username, Name, Password, and Answer, and a dropdown menu for Security Question. A 'Create' button is at the bottom left, and a 'Back' button is at the bottom right. To the right of the form is a large black icon of a person with a plus sign.

24. Travel Package Selection

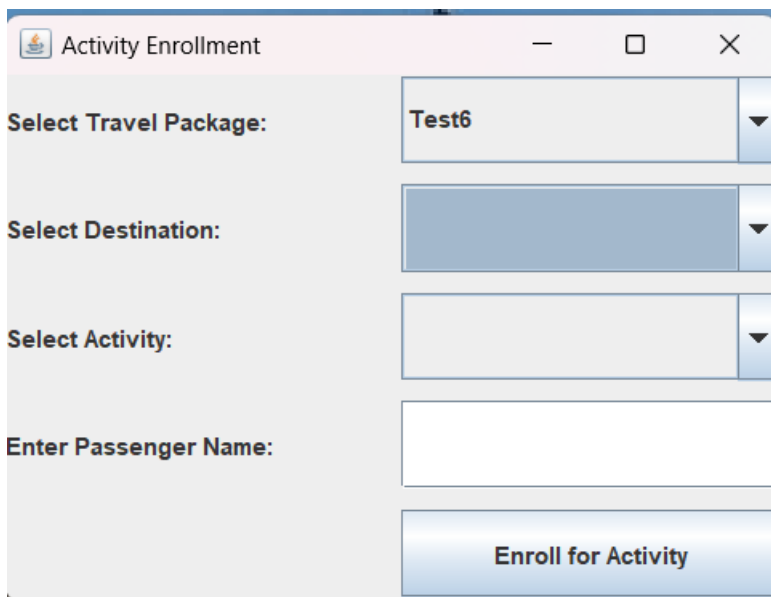

25. Itinerary View

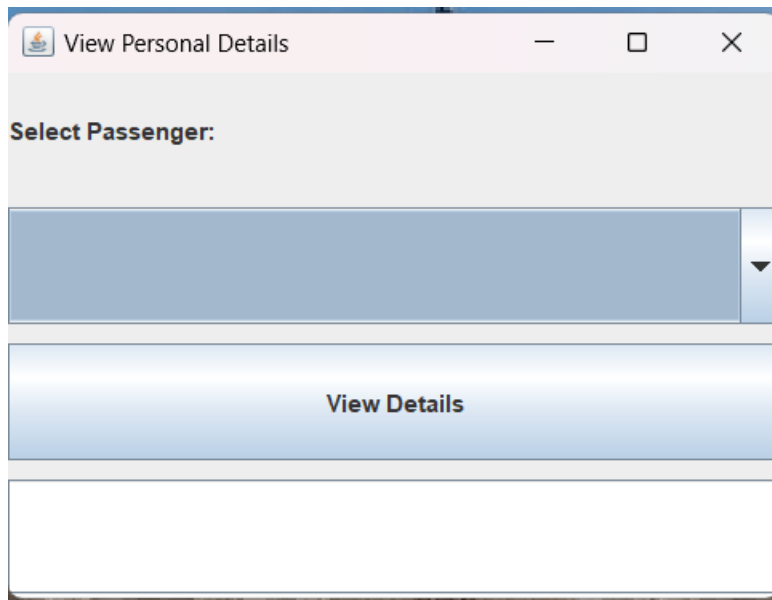

The screenshot shows a window titled "Itinerary View" with a standard Windows-style title bar (minimize, maximize, close buttons). Below the title bar is a label "Select Travel Package:" followed by a dropdown menu. The dropdown menu is open, showing the text "Test6". Below the dropdown menu is a large, empty rectangular area. At the bottom of the window is a button labeled "View Itinerary".

26. Activity Enrollment

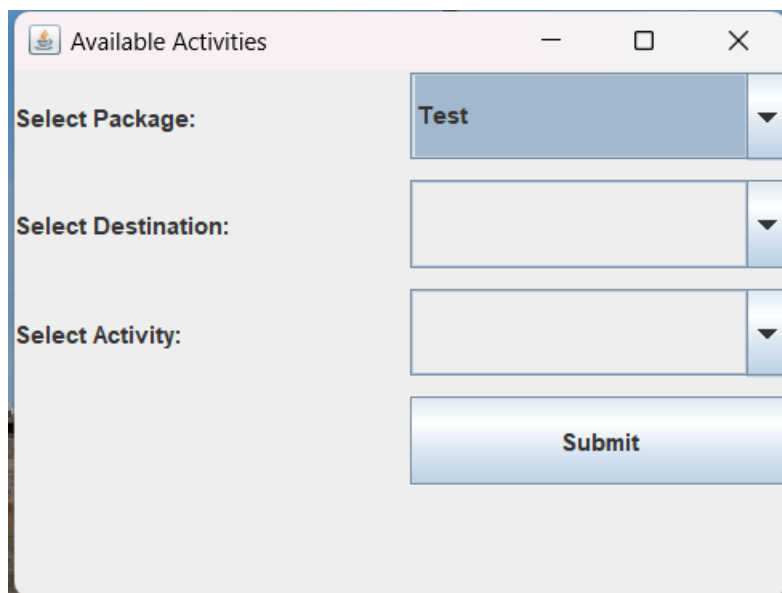

The screenshot shows a window titled "Activity Enrollment" with a standard Windows-style title bar (minimize, maximize, close buttons). Below the title bar are four labels and their corresponding input fields: "Select Travel Package:" with a dropdown menu showing "Test6"; "Select Destination:" with a dropdown menu; "Select Activity:" with a dropdown menu; and "Enter Passenger Name:" with a text input field. Below these fields is a button labeled "Enroll for Activity".

27. View Personal Details

The screenshot shows a window titled "View Personal Details" with a standard Windows-style title bar (minimize, maximize, close buttons). The main content area has a light gray background. At the top, the text "Select Passenger:" is displayed. Below it is a large, empty blue rectangular box with a small downward arrow on its right side, indicating a dropdown menu. Underneath this box is a wide, light blue button with the text "View Details" centered on it. At the bottom of the window is a large, empty white rectangular box.

28. Available Activities

The screenshot shows a window titled "Available Activities" with a standard Windows-style title bar. The main content area has a light gray background. On the left side, there are three labels: "Select Package:", "Select Destination:", and "Select Activity:". To the right of these labels are three dropdown menus. The first dropdown menu, corresponding to "Select Package:", has the word "Test" selected. The other two dropdown menus are empty. Below these three dropdown menus is a wide, light blue button with the text "Submit" centered on it.
